## SAVOX® C-C500 MPM

### Multi Purpose Remote Speaker Mic

The SAVOX® C-C500 MPM is a new type of remote speaker-mikrophone (lapel mic) that can be used with or without a headset. In addition to its internal microphone and speaker it is equipped with a rugged quick release jack that adapts any type of headset to your two-way radio.

Thanks to the two large push-to-talk buttons, transmission is secured, even used from inside gear and protective clothing. The unique design prevents unintentional transmission.

The SAVOX® C-C500 MPM is a compact, durable and waterproof (IP67) radio accessory for professional use. A communication solution that provides various optional functions for different types of applications.

Highly effective speaker

Radio specific adaptor cable

Two large push-to-talk buttons

Microphone

Connector cap

Rugged quick release connection for external headset

Optional functions

Emergency call button

LED display
