SAVOX® E-C

Ear mic/speaker

The SAVOX® E-C is a discreet and cost effective handsfree com-solution, providing personal safety, efficiency and full concentration on your task. It perfectly completes the SAVOX® range of communication accessories as the universal alternative.

The "ear piece" consists of a vibration sensitive microphone that picks up the voice from the cheek bone, and an earphone providing excellent reception even in noisy environments.

The intrinsically safe SAVOX® E-C connects to any SAVOX® com-control/PTT unit adapting to most types of two-way radios.

The SAVOX® C-C500 MPM Multi Purpose Remote Speaker Mic is a new type of com-unit that can be used with or without a headset.

The SAVOX® C-C400 com-control/PTT unit has an extra large Push-To-Talk button that secures instant transmission in all situations.

The SAVOX® R-C300 system is flexible and can be customized according to different types of applications.

The SAVOX® R-C300 offers two alternative remote Push-To-Talk solutions, the "riot-ptt" and the "rifle-ptt".
