SAVOX® HS-E

Helmet-com® unit with
electret microphone

The SAVOX® HS-E is a durable and light weight helmet-com unit for professionals using helmets. The SAVOX® HS-E provides instant, clear and reliable "hands-free" communication, increasing personal safety and work efficiency, allowing full concentration on the actual task.

Thanks to the unique arm/strap fastening system, the SAVOX® HS-E easily mounts in almost any type of helmet without any tools. The voice sensitive electret microphone integrated with the speaker unit makes the SAVOX® HS-E simple and cost effective.

The SAVOX® HS-E is the ideal communication solution for fire and rescue, special task and industrial applications. The intrinsically safe SAVOX® HS-E connects to all SAVOX® com-control/PTT units adapting to most types of two-way radios.

The SAVOX® C-C500 MPM Multi Purpose Remote Speaker Mic is a new type of com-unit that can be used with or without a headset.

The SAVOX® C-C400 com-control/PTT unit has an extra large Push-To-Talk button that secures instant transmission in all situations.

The SAVOX® R-C300 system is flexible and can be customized according to different types of applications.

The SAVOX® R-C300 offers two alternative remote Push-To-Talk solutions, the "riot-ptt" and the "riffle-ptt".
