SAVOX® N-C

Noise-com® unit for hearing protectors

The SAVOX noise-com® is a smart, flexible and cost effective handsfree com-solution for high-noise environments, increasing both personal safety and work efficiency.

The SAVOX noise-com® fits in almost any muff type of hearing protectors, turning them into a professional communication headset. Still it maintains the function of the hearing protector. The SAVOX noise-com® is light weight and durable - ideal for industrial and utility personnel, airline ground crews, public safety applications etc.

The intrinsically safe SAVOX noise-com® connects directly or through a SAVOX® com-control/PTT unit to most types of two-way radios DECT- and mobile phones equipped with an accessory adaptor.
