SAVOX® TC

Throat-mic/speaker unit

The SAVOX® TC is a comfortable throat microphone/speaker combination for communication in high-noise environments and other extreme conditions. The throat microphone, softly secured by a flexible and washable neck band is voice sensitive and needs only light pressure on the throat which makes the SAVOX® TC comfortable to wear. The effective speaker that hooks on the ear ensures clear reception even in areas of high ambient noise levels.

The intrinsically safe SAVOX® TC is the ideal com-solution for military, helicopter and chemical rescue (Haz-Mat) operations, engine rooms and other noisy environments. The SAVOX® TC throat microphone is even sensitive to whispering.

The intrinsically safe SAVOX® TC connects to most SAVOX® com-control/ PTT units adapting to most types of two-way radios.

SAVOX® TC1 with coiled cable

SAVOX® TC1S with straight cable

Specifications

ATEX
Approved

Weight	90 g
Microphone	vibration sensitive, impedance 3500/300 ohm @1 kHz Noise cancellation 30 dB
Speaker impedance	according to application
Speaker/mic cable	Ø2,5 mm 290 mm / 195 mm (PVC/PUR)
Connector	4-pole quick release plug 
SAVOX® T-C1	Coiled cable: Ø 4mm / 270mm, PUR
SAVOX® T-C1 S	Straight cable: Ø 4mm / 600mm
Operation temperature	-25...+63 °C (continuous)
Supply voltage	3,0...10,0VDC
ESD,EMI immunity	confirms with the EN 301 489-1

The SAVOX® C-C500 MPM Multi Purpose Remote Speaker Mic is a new type of com-unit that can be used with or without a headset.
